My room

Everyone may have his or her own room in the house. I have one, too. Look! It's not big, but very nice. I like pink, so you can see a pink quilt on my bed. Under it, there's a dog. I have two pets. The other is near the door. It's Mimi. Near the bed, you can see a piano. I play it every day. Next to the piano, there's a soccer ball. On the wall, there are some pictures. You can see my desk and chair, too. I do my homework on the desk every day. I really like my room. What about yours?

(B) One possible version:

Family

A family for me is a warm place. There are four people in my family, my dad, mum, sister and me.

My dad is tall and strong. He's a boss. He likes singing and doing sports. He's very cool. My mum is a boss, too. She likes planting. She's very busy every day. But she's very kind to us.

My sister is a sports player. She has two big eyes, a small nose and mouth and two small ears. She likes listening to music. Proud of you is her favourite English song. She always teaches me to sing this song.

I'm a happy girl. I like listening to music and playing table tennis. I love my family and they love me, too.
