(B) One possible version:

An unforgettable trip

Last summer I went to Dalian with my family. We went there by train and the train trip was relaxing. I made friends with a girl next to me on the train. We talked a lot about our own school and hometown. When we got to Dalian, we found the air was very fresh. The beach was very beautiful and clean. I played with the sand. It was sunny, cool and wet. The people there were friendly and the food was delicious. I ate lots of sea food. We enjoyed the vacation very much. I hope to go to Dalian again.
