What about your holiday plan? Write to me soon.

Yours,

(B) One possible version:

My Dream Job

My dream job is to be an architect. I want to design some great buildings. I've always wanted to be an architect ever since I was a child, perhaps it's because my dad is an architect. I like watching him working on his designs and drawings. I think he's very attractive when he's working. Besides, I'm very interested in designing things as well. And I've always loved drawing. So this is just my dream job. I think I can make my dream come true because I always work very hard for it!

M: Yeah. I really like France, too. But I'm a bit nervous about going to live abroad.

Don't be late, please, because the bus has to leave at half past eight. When you finish breakfast, please go to the car park, where we'll get on the bus.

We'll have lunch at a restaurant near Loch Ness. You must take your red ticket with you, or you won't get any lunch! Oh, one more thing. I know it's summer but it can get quite cold in the mountains even in July, so take a jacket with you. You'll need one in the evening.

All right? I'll see you tomorrow morning. Have a good night.
